

a seat in Siena

Natural Elements
Product Fact Sheet

Natural Elements

Natural Elements is a collection of high-quality, durable furniture pieces designed and produced to withstand outdoor wear and tear, reducing the need for frequent replacements.

The pieces harmonise with outdoor environments, but can also be used indoors to create a natural, organic feel bringing the wonders of nature inside.

All pieces of our Natural Elements line are durable and able to withstand all weather, manufactured using resilient materials such as Douglas, Sipo, Ipe and Lark.

Product Type

Stool or side table

Environment

Outdoor and Indoor

Designer

A seat in Siena

Country of origin

Made with love in Denmark.

Dimensions

L: 32.5, W: 32.5, H: 48 cm

Weight

3.8 kg

Material & Finish

Douglas, Sipo, Ipe or Lark

Sustainable production

All editions of a seat in Siena are made in Denmark and produced from FSC certified wood from large scale Danish productions.

Product character

Wood is an organic material that evolves over time. Daily use adds to the unique character and patina. Items placed on the piece might leave marks over time when exposed to sunlight.

Product warranty

We ensure a 2 year warranty. The warranty does not apply in cases of improper use, wear and tear or lack of maintenance.

Cleaning & care

The piece is very easy to clean with a damp cloth. Once in a while we recommend sanding it down using 180 grit sandpaper and after apply one of our custom oils from our Lasting Love wood care line.
